WE WILL TALK ABOUT...

- what is great about the company and the type of human resources they can recruit
- the process of Japanese job interviews and common questions

Interviews play a key role in the recruitment examination. Let's learn about interviews in Japan from the viewpoints of an instructor from Shizuoka Job Station and a recruiter.

- ☑ open to all international students enrolled at universities in Shizuoka
- ☑ Registration is closed 3 days before each lecture.
- ☑ Capacity is 20 people each.
