

Consultation Centres for COVID-19

UPDATES:

The number for Tobu-Hokenjo (Tobu Public Health Centre) has changed to 055-920-2082

A fax number has been added for the Disease Control Division: 054-251-7188

Please contact COVID-19 Consultation Centres or CAMELLIA if you show the following symptoms:

- Cold-like symptoms or fever 37.5°C and above for at least 4 days
- Severe drowsiness (lethargic) or breathing difficulties

The elderly, pregnant women, those with pre-existing conditions (e.g. diabetes, heart problems, respiratory diseases etc.), those undergoing dialysis or those taking immunosuppressive or anticancer medicine should call the centre if symptoms continue for two days or more.
