The day's topic is written in Japanese and Romaji (alphabet).

The topic number is written on the left.

Look at the topic list and write it yourself above.

1

Prepare for the topic you want to talk about.

In the chart below, note down what you want to talk about in your own language, or draw some pictures. While talking with the Japanese language supporters, write down the Japanese words you want to remember.

2

Either in pairs or groups, talk about yourself pointing at diagrams or pictures that you drew in "1".

Note down the things you understand from others' talks.
