Japanese Language Class for Beginners

Bem vindos à Sala do Idioma Japonês

We are scheduled to open a Japanese language class for people who cannot speak or who can speak a little but not that confident. There will be an interpreter in this class, too. Everyone has the same feeling of anxiety about speaking Japanese. Enjoy learning Japanese and make a lot of friends there. In order to know the Japanese level of the participants, we will check their Japanese ability at the class of first time.

Destinado aos não falantes do idioma japonês, bem como àqueles com um pouco de conhecimento, porém, com dificuldade para expressar. Há intérprete durante as aulas.
